
About the project

Danube Compass was created as a part of the project Danube Region Information Platform for Economic Integration of Migrants (DRIM), co-funded by European Union (ERDF, IPA) through Danube Transnational Programme. The goal of the project is to enhance capacities of public institutions for enabling migrants' economic integration in the eight countries of the Danube Region.

More about the project: <http://www.interreg-danube.eu/approved-projects/drim>
